PROFESSIONAL SUMMARY

Motivated third-year B.Tech Information Technology student at PSG College of Technology with a strong foundation in programming, web development, database management, and core computer science concepts. Continuously strengthens technical and problem-solving abilities through academic projects, internships, certifications, and self-directed learning. Seeking an internship/placement opportunity to contribute technical skills, learn from real-world engineering challenges, and grow as a software professional.

EDUCATION

PSG College of Technology
B.Tech, Information Technology — Third Year, 5th Semester

The Frontline Academy
Higher Secondary Education (HSC) | Percentage: 92.5%

Vivekananda Vidyalaya Matric Higher Secondary School
SSLC | Percentage: 87.6%

TECHNICAL SKILLS

Programming Languages: C, Java, Python

Web Technologies: HTML, CSS, JavaScript, React.js, Node.js

Databases: MySQL, SQL, MongoDB

Core Subjects: Data Structures & Algorithms, OOP, DBMS, Computer Networks, Operating Systems

INTERNSHIP EXPERIENCE

Corizo — Data Structures & Algorithms Intern

- Strengthened core DSA concepts through hands-on coding assignments, sharpening logical thinking and algorithmic problem-solving for real-world engineering challenges.

Corizo — Web Development Intern

- Completed a web development internship covering frontend and backend concepts, gaining hands-on experience building web applications end-to-end.

PROJECTS

Individual Project

Credit Card Fraud Detection System

- Designed and developed a fraud detection system using Python and MySQL to identify and manage suspicious financial transactions.
- Architected the relational database schema and implemented CRUD operations for secure transaction record management.
- Built a GUI for real-time transaction monitoring and fraud alert management, streamlining suspicious-activity tracking.

Technologies: Python, MySQL, SQL, Git, GitHub

CERTIFICATIONS

- Mastering C Language – C Programming for Beginners, Udemy
- Data Structures & Algorithms Internship, Corizo
- Data Structures & Algorithms Training, Corizo
- Web Development Internship, Corizo
- Web Development Training, Corizo

ACHIEVEMENTS

- State-Level Volleyball Player — represented at the Chief Minister's Trophy (CM Trophy), 2023
- Karate — Professional Black Belt and Confirmation Black Belt
- National Cadet Corps (NCC) — Active Cadet; awarded Best Cadet of the Year, 2022

ADDITIONAL INFORMATION

LANGUAGES

English, Tamil

STRENGTHS

Problem Solving, Quick Learner, Team Player, Leadership, Adaptability, Communication, Time Management

INTERESTS

Software Development, Technology, Bike Riding, Photography, Video Editing, Fitness
